

QUESTIONS RE FALLEN ANGELS - DEMONS
Taught by Willis E. Bishop

From Study in Ezekiel

In Revelation it indicates that at least a third of the angels fell with Satan. Revelation 12:4: "His tail drew a third of the stars of heaven and threw them to the earth. And the dragon stood before the woman who was ready to give birth to devour her Child as soon as it was born."

I think that is an indication that a third of the angelic realm followed Satan.

Q. Isn't that what demons are? Aren't they fallen angels?

A. That is another question. I have a problem with that because the Scripture is silent and I don't know. I would not argue with anyone who says demons are fallen angels, but I don't find any statement like that in scripture. We just don't have any information as to where demons came from. They are evil spirits very definitely in league with Satan.

Please don't believe something just because I say it. Check it out for yourself.

Prayer: Our heavenly Father, we realize there is a realm beyond our understanding in which sin has entered, in which the ruler of this age has come with a tremendous, fierce force to even attack believers today. But we thank You that our refuge is in Christ and that He is the victor. We thank You for the last book of the Bible which assures us as we read the end that eventually there is victory and that one day every knee shall bow and every tongue confess that He is Lord. We pray that all who hear today may have already found that refuge. We have knelt at the foot of the cross, we have confessed our sins, and we have laid hold of Your free gift of life everlasting. Lord, grant this to us all, we do pray, in Jesus' precious name. Amen.
